

NIGERIA DIASPORA SERVICES (NDS)

WEBSITE DEVELOPMENT PROJECT BRIEF

1. WEBSITE NAME

Nigeria Diaspora Services (NDS)

2. BUSINESS DESCRIPTION

Nigeria Diaspora Services is a professional Documentation Processing Assistant and Diaspora Support Service designed to assist Nigerians living abroad with documentation, verification, authentication, government-related applications, business documentation, and other support services in Nigeria.

The website should look professional, modern, trustworthy, international and easy to use, especially for Nigerians living outside Nigeria.

3. WEBSITE OBJECTIVES

1. Introduce Nigeria Diaspora Services to Nigerians worldwide.
2. Clearly display all available services.
3. Allow customers to submit service requests online.
4. Allow customers to upload required documents securely.
5. Allow customers to communicate with the support team.
6. Allow customers to track their application/request status.
7. Provide WhatsApp and telephone contact.
8. Provide company information, office addresses and email.
9. Have a professional admin dashboard for managing customers and applications.
10. Be mobile-friendly because many customers will access it through smartphones.

4. MAIN WEBSITE MENU

HOME | ABOUT US | SERVICES | HOW IT WORKS | APPLY NOW | TRACK APPLICATION | FAQ | CONTACT US

There should also be a prominent: APPLY FOR SERVICE button.

5. HOME PAGE

Main Heading: NIGERIA DIASPORA SERVICES

Sub-heading: Documentation Processing Assistant & Diaspora Support Services

Description: Professional assistance and support for Nigerians in the Diaspora with documentation processing, verification, authentication, government-related services and business documentation.

Buttons: APPLY FOR SERVICE CONTACT US

A professional image representing Nigerians in the Diaspora / international services can be used.

13. Other Diaspora Services

Create a section for additional services that may be added in the future.

7. IMPORTANT LEGAL/DISCLAIMER TEXT

The website should clearly state that Nigeria Diaspora Services provides processing assistance, documentation support and guidance.

It should not claim to be a Nigerian government agency, embassy, consulate, court, police authority, NDLEA, CAC or any other government institution unless officially authorized.

Suggested disclaimer: "Nigeria Diaspora Services is an independent documentation processing assistance and support service. We are not a government agency, embassy, consulate, court or law-enforcement authority. Official approvals, certificates and documents are issued only by the relevant government or authorized institution."

8. HOW IT WORKS

STEP 1 — Submit Your Request

Customer selects the service required and submits an online request.

STEP 2 — Document Review

Our team reviews the customer's information and required documents.

STEP 3 — Processing Assistance

We provide processing assistance and follow up according to the selected service.

STEP 4 — Completion & Update

The customer receives updates regarding the progress and completion of the request.

9. ONLINE APPLICATION SYSTEM

Create an Apply Now page.

Customer should provide: Full Name; Phone Number; Email Address; Country of Residence; State/Country of Origin in Nigeria; Service Required; Description/Message; Preferred Contact Method; Upload Supporting Documents.

After submission, the system should generate a unique APPLICATION/REFERENCE NUMBER.

Example: NDS-2026-000001

The customer should receive confirmation after submitting the application.

10. CUSTOMER TRACKING SYSTEM

TRACK YOUR APPLICATION

Customer enters: Application Reference Number and possibly Phone Number or Email.

The system displays: Application Received; Under Review; Documents Required; Processing; Completed; Closed.

The admin should be able to change the status.

11. CUSTOMER ACCOUNT

If possible, create customer registration/login.

Customers should be able to: Create an account; Submit applications; Upload documents; View application status; Receive messages; View previous applications; Download available documents/receipts.

12. ADMIN DASHBOARD

Customers: View customers; Customer information; Customer applications.

Applications: New applications; Applications under review; Processing applications; Completed applications.

Documents: View uploaded documents; Upload processed documents; Download documents.

Messages: Send messages to customers; Customer enquiries.

Services: Add new services; Edit services; Remove services.

Website Content: Edit About Us; Edit contact information; Edit FAQs; Add news/blog posts.

13. WHATSAPP & PHONE

Put a visible WhatsApp button on the website.

The customer should be able to click: Chat With Us on WhatsApp

Phone: +234 704 700 0070

14. CONTACT PAGE

HEAD OFFICE

Wuse Zone 5, Abuja, Federal Capital Territory, Nigeria

BRANCH OFFICE

54 Guda Abdullahi Street, Farm Center, Kano State, Nigeria

15. ABOUT US

Nigeria Diaspora Services (NDS) is focused on providing documentation processing assistance and support to Nigerians living outside Nigeria.

Our goal is to make documentation-related processes easier to understand and navigate by providing professional assistance, communication, document support and follow-up.

16. VISION

To become a trusted documentation assistance and diaspora support platform connecting Nigerians worldwide with essential services in Nigeria.

17. MISSION

To provide reliable, transparent and professional documentation processing assistance and support to Nigerians in the Diaspora.

18. WHY CHOOSE US

Create cards for: Professional Assistance; Diaspora-Focused Services; Easy Online Application; Application Tracking; Customer Support; Transparent Communication; Secure Document Handling; Nationwide Support.

19. FAQ

Who can use Nigeria Diaspora Services?

Nigerians living abroad who require assistance with eligible documentation and related services.

Can I apply from outside Nigeria?

Yes, customers can submit service requests online.

Can I track my application?

Yes. Customers should receive an application/reference number that can be used to check status.

Are you a government agency?

No. Nigeria Diaspora Services is an independent documentation processing assistance and support service.

How do I contact you?

Through phone, WhatsApp or email.

20. LANGUAGES

The website should preferably support: English | Hausa | Arabic | French

English should be the default language.

21. SECURITY

Because customers may upload sensitive documents, the developer must implement proper security.

The website should include: SSL/HTTPS; Secure login; Secure document upload; Admin authentication; Data protection; Regular backups; Access control; Privacy Policy; Terms & Conditions.

Do not display customers' private documents publicly.

22. PAYMENT SYSTEM

If payment is added, create a secure payment section where customers can pay applicable service/processing fees.

The website should provide: Payment Reference Number and a downloadable/emailed receipt.

Payment gateway should be selected based on what is legally and technically appropriate for the business.

23. SOCIAL MEDIA

Add links/icons for: Facebook; Instagram; TikTok; YouTube; LinkedIn.

24. WEBSITE DESIGN

The design should be: Modern; Professional; Clean; International; Mobile-friendly; Fast-loading; Easy to navigate.

Use Nigeria Diaspora Services branding consistently.

The website should not look like an ordinary small business website. It should have the appearance of a professional international diaspora service platform.

25. MOBILE VERSION

The website must work perfectly on: Android phones; iPhones; Tablets; Laptops; Desktop computers.

Most customers should be able to complete an application from their phone.

26. FUTURE DEVELOPMENT

Build the website in a way that allows future features such as: NDS Mobile App; Customer notifications; SMS notifications; Email notifications; Online payment; Digital receipts; Customer support ticket system; Multiple country offices; Staff accounts; Agent accounts; Customer database; Service pricing management; Application analytics.
